An act to amend Section 22009 of the Government Code, relating to public retirement.

LEGISLATIVE COUNSEL'S DIGEST

SB 1082, as introduced, Ashburn. Public retirement: social security.

The Board of Administration of the Public Employees' Retirement system is required, upon application by a public agency, as defined, to execute an agreement with the federal government for the coverage of the public employees of the agency under the federal Social Security Act in conformity with specified regulations.

This bill would make a technical, nonsubstantive change to the provision of law that defines those entities that constitute a "public agency" that is eligible to execute an agreement for coverage under the federal Social Security Act.
